CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

AND
(3) NOTICE OF ANNUAL GENERAL MEETING**

LETTER FROM THE BOARD

INTRODUCTION

The purpose of this circular is to provide you with information in respect of the resolutions to be proposed at the AGM to seek approval of the Shareholders in respect of, among other matters, (i) the Issue Mandate and the Repurchase Mandate, (ii) the re-election of retiring Directors, and (iii) the notice of the AGM.

ISSUE MANDATE AND REPURCHASE MANDATE

At the annual general meeting of the Company held on 30 September 2025 (the “**2025 AGM**”), general mandates were granted to the Directors to exercise the powers of the Company to issue new Shares and to repurchase Shares respectively.

Such mandates granted at the 2025 AGM will lapse at the conclusion of the AGM.

At the AGM, the Directors propose to seek the approval of the Shareholders to grant to the Directors the Issue Mandate and the Repurchase Mandate.

Issue Mandate

At the AGM, an ordinary resolution will be proposed such that the Directors be given a general and unconditional mandate (i.e. the Issue Mandate) to allot, issue and deal with unissued Shares or underlying shares of the Company (other than by way of rights or pursuant to a share option scheme for employees of the Company or Directors and/or any of its subsidiaries or pursuant to any scrip dividend scheme or similar arrangements providing for the allotment and issue of Shares in lieu of whole or part of the dividend on Shares in accordance with the Articles) or make or grant offers, agreements, options and warrants which might require the exercise of such power, of an aggregate number of up to 20% of the total number of issued Shares as at the date of passing of the relevant resolution granting such mandate, provided that if any subsequent consolidation or subdivision of Shares is effected, the maximum number of Shares that may be issued pursuant to the approval granted under such resolution as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same and such maximum number of Shares shall be adjusted accordingly.

In addition, a separate ordinary resolution will further be proposed for extending the Issue Mandate authorising the Directors to allot, issue and deal with Shares to the extent of the Shares repurchased pursuant to the Repurchase Mandate. Details on the Repurchase Mandate are further elaborated below.

As at the Latest Practicable Date, the Company has an aggregate of 280,081,621 Shares in issue. Subject to the passing of the resolutions for the approval of the Issue Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Issue Mandate to allot, issue and deal with a maximum of 56,016,324 Shares.

LETTER FROM THE BOARD

Repurchase Mandate

At the AGM, an ordinary resolution will also be proposed such that the Directors be given a general and unconditional mandate to repurchase issued and fully paid Shares (i.e. the Repurchase Mandate) on the Stock Exchange of an aggregate number of up to 10% of the total number of issued Shares as at the date of passing of the relevant resolution granting the Repurchase Mandate, provided that if any subsequent consolidation or subdivision of Shares is effected, the maximum number of Shares that may be repurchased pursuant to the approval granted under such resolution as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or subdivision shall be the same and such maximum number of Shares shall be adjusted accordingly.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 28,008,162 Shares.

The Issue Mandate (including the extension of the Issue Mandate) and the Repurchase Mandate shall continue to be in force during the period from the date of passing of the resolutions for the approval of the Issue Mandate (including the extension of the Issue Mandate) and the Repurchase Mandate until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles, the Companies Law (Revised) of the Cayman Islands or any applicable laws of the Cayman Islands to be held; or (iii) the passing of an ordinary resolution by the Shareholders in a general meeting prior to the next annual general meeting of the Company revoking or varying the authority given to the Directors.

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
By Order of the Board
China Investment Financial Technology Group Limited
Wang Qiang
Chairman

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 of the GEM Listing Rules, to provide you with all the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the ordinary resolution at the AGM to approve the Repurchase Mandate

1. NUMBER OF SHARES WHICH MAY BE REPURCHASED

Exercise in full of the Repurchase Mandate, on the basis of 280,081,621 Shares in issue as at the Latest Practicable Date, would result in 28,008,162 Shares (representing 10% of the issued share capital of the Company as at the date of passing of the resolution), being repurchased by the Company during the period prior to the next annual general meeting of the Company following the passing of the resolution approving the Repurchase Mandate.

2. REASONS FOR PROPOSED REPURCHASE OF SHARES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on GEM. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per share of the Company and will be only made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

The Repurchase Mandate will only be exercised when the Directors believe that such purchases will benefit the Company and the Shareholders as a whole. The Directors have no present intention to repurchase any Shares.

3. SOURCE OF FUNDS

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles, the GEM Listing Rules and the applicable laws of the Cayman Islands. The Company will not repurchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements of the Company for the year ended 31 March 2026) in the event that the Repurchase Mandate is exercised in full at any time during the Relevant Period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

5. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules), has any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders at the AGM.

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Articles, the GEM Listing Rules and the applicable laws of the Cayman Islands.

7. THE HONG KONG CODE ON TAKEOVERS AND MERGERS

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 the Takeovers Code.

As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholders' interests, could obtain or consolidate control of the Company and becomes obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following persons were directly or indirectly interested in 5% or more of the issued capital of the Company. Their respective interest as at the Latest Practicable Date is shown under the column "Before repurchase" while their respective interest in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the ordinary resolution in relation to the Repurchase Mandate to be proposed at the AGM (and assuming that the issued share capital of the Company remains unchanged up to the date of the AGM) is shown under the column "After repurchase".

To the best knowledge of the Directors, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any repurchases pursuant to the Repurchase Mandate.

The Directors do not intend to exercise the Repurchase Mandate to such an extent as would result in a Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory general offer under Rule 26 of the Takeovers Code and accordingly, it is not anticipated that repurchases of Shares under the Repurchase Mandate will give rise to any consequences under the Takeovers Code.

The Directors will not repurchase the Shares if the repurchase would result in the number of the listed securities which are in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.
